Auto-checkout helps ensure that every bid counts! There will be a few changes to our terms of service:

A valid, State or Federal issued ID is required to pick up all purchases. There are no refunds for items not picked up on time. If you cannot make the removal, you need to send someone on your behalf to pick up for you with their own ID and the printed invoice! *Be aware if the information of the person picking up does not match the information on the receipt, a phone call or text may be placed to you to verify the identity of the person picking up, or further credit card verification such as presentation of the card charged for large or multiple purchases. All forms of ID must be presented in person.

If the items won do not match the description on the listing, or the items come up missing, refunds will be issued to the credit card on file.

Pre-authorization: A pre-authorization amount will be applied to your auction for each auction you bid in. This charge is a pending-only charge meant to verify your credit card on file and will drop off once the auction has ended. It will not post permanently to your account. If you have any questions, please contact our support team via our website contact submission page. If you feel this charge was mistakenly posted to your account, you must provide a bank statement showing that the charge was POSTED (not pending) to your account.

REMOVALAll items must be removed no later than 6pm on Wednesday October 8, 2025. Items will not be held for a later pickup day.**REMOVAL ASSISTANCE**Buyers are solely responsible for the removal of purchased items and are asked to clean up and not leave trash. Leaving trash can result in bidders being banned.**REMOVAL AUTHORIZATION**If someone other than you is picking up your auction purchases, please [CLICK HERE](#) to fill out the authorization form so that we can release your items to your authorized agent.
